DAILY DUTIES AS ASSIGNED

All Students will be assigned daily duties. Please be thorough and take pride in fulfilling these tasks. Students will not clock out until all duties have been completed. Styling stations and mirrors need to be cleaned and sanitized each day. Items should not be left out or left overnight. Personal items need to be secured. The break room, classrooms and the clinic floor should be cleaned daily. Additionally, all areas where clients are serviced should be maintained properly per State regulations. These areas include the shampoo area, rest rooms, styling stations, etc.

SCHEDULE CHANGES

Students must request a schedule change in writing, which is subject to approval by Vogue College owner or Director. A student may not exceed more than 2 schedule changes during their period of enrollment. Once approved, all initial schedule change requests will be processed at no extra charge to the student. However, if a student requests an additional schedule change during their period of enrollment, upon approval, a \$100 fee will be charged.

LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a Student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA. Vogue College may allow more than one LOA at its discretion where there is an expectation that the student will return. Students must request an LOA in advance in writing, state the reason for the leave, and include the student's signature for approval by Vogue College owner or Administrator. Vogue College may grant an LOA to a student who did not provide the request prior to the LOA due to an unforeseen circumstance and must document the reason for the LOA from the student at a later date. In unforeseen LOA circumstances, the beginning date of the approved LOA would be determined to be the first date the student was unable to attend.

If approved, the official Leave will extend the enrollment contract period and maximum time frame by the same number of days designated in the leave document or actually used by the Student, changes to the contract period are listed on the Leave of Absence document and must be initialed by all parties upon the student's return from LOA. There will be no institutional fees charged as a result of the LOA. **The LOA is approved for a minimum of 30 days at a time and may not exceed 180 days total in any twelve-month period.** All approved LOAs will be scheduled to begin on the first class day after the Student's last physical day of attendance prior to beginning the LOA and end on the "Scheduled Return Date"; a Student who does not return to School or has failed to request an additional LOA prior to the "Scheduled Return Date" will be dropped. At an institution required to take attendance, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

LOA will be considered on a case-by-case basis for situations like family and medical emergencies, work issues, and unusual circumstances. A student granted an LOA that meets Vogue College's LOA requirement is not considered to have withdrawn, and no refund calculation is required at that time.

For Federal Aid recipients, the Student's payment period is suspended during the LOA and no federal financial aid will be disbursed to Students while on a LOA. Upon the Student's return, the Student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the Student is a Title IV loan recipient, the Student will be informed of the effects that the Student's failure to return from a leave may have on the Student's loan repayment terms, including the expiration of the Student's grace period.

GRADUATION REQUIREMENTS

Students must meet the following requirements in the applicable program of study to qualify for graduation and be issued an Official Transcript of Hours and Diploma:

EMPLOYMENT ASSISTANCE

While Vogue cannot guarantee employment for Graduates, assistance in finding suitable employment is provided by posting area job openings. Students also receive classroom training on professionalism, how to write a resume, job searching, completing an employment application and preparing for an effective interview. This is an excellent opportunity for the Student to obtain professional salon exposure, secure future employment and make the transition from School to work with ease.

JOB DEMAND IN COSMETOLOGY

There are many wonderful career opportunities available within the beauty industry. In addition to entry level placement as a Cosmetologist, Esthetician, Instructor, and Nail Technician; this industry also offers opportunities in areas such as hairstyling, skin care, makeup, nail artistry, sales, instructing, training, etc.

PHYSICAL DEMANDS AND SAFETY REQUIREMENTS

You may work long hours, especially those who own salons. Work schedules may include nights and weekends, and may not include breaks or lunches. Good health and stamina are a must. Most salon industry professionals may be on their feet for long periods of time. Prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, goggles, and gloves should be worn.

LICENSURE REQUIREMENTS

Any person is eligible to receive a license as a cosmetologist, a nail technician, or an esthetician who submits proof that he is at least 17 years of age; has an education equivalent to the completion of the second year of an approved high School; has completed the required clock hours in an approved School for the applicable program; has paid the required fees; and has passed the examination conducted by the Board to determine his fitness to receive a license. Any person applying to take a State Board examination may be required to have an official United States Government issued identification to take the exam.

Any person is eligible to receive a license as an Instructor who submits proof that he is at least 18 years of age; has an education equivalent to the completion of a four year high School; has completed a Student Instructor program of 750 clock hours or 500 hours with one year of verified work experience in the applicable discipline; has paid the required fees and has passed the examination conducted by the Board. Any person applying to take a State Board examination may be required to have an official United States Government issued identification to take the exam.

Instructors in the State of Texas must obtain four clock hours (1 hour sanitation, 3 hours teaching) for license renewal. Instructors employed in a NACCAS-accredited School must obtain twelve clock hours of continuing education within each calendar year.

The Texas Department of Licensing and Regulation also runs a criminal background check through the Department of Public Safety (DPS) on each original license application and each renewal application filed. If the application or the DPS check reveals a conviction that could be a basis for denying the license, the Licensing Staff will refer the matter to TDLR's Enforcement Division for further review. It should be noted that a decision to deny licensure will result in an individual not being able to obtain gainful employment their chosen field. Please see the TDLR Regulation of Barbering and Cosmetology; Occupations Code, Chapter 1603. Title 9: Subchapter I; Denial and Disciplinary Procedures Sec. 1603.401.

*If a student voluntarily withdraws or is terminated after completing 50 percent of the course at Vogue College of Cosmetology, the school shall allow the student to re-enter at any time during the 48 month period following the date of withdrawal or termination. A student who receives a grade of incomplete may reenroll in the program during the 48 month period following the date the student withdraws and complete the subjects without payment of additional tuition.

- If a Title IV financial aid recipient* withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by Vogue College shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by Vogue College and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal):

The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student’s actual last date of attendance. An active student officially withdraws when they notify the school’s administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school’s administrative office.

Return of Title IV Funds

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants. Determination Date/Withdrawal Date (Official/Unofficial Withdrawal): The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student’s actual last date of attendance. An active student officially withdraws when they notify the school’s administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent

for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If the post-withdrawal disbursement includes loan funds, the School must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does not incur additional debt. A notice will be sent out to the student, and the signed, original document must be returned to the School within 14 days.

Any amount of unearned grant funds that you must return is called an overpayment. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school will make the refund determination within thirty (30) days from the date of withdraw/termination and return the unearned funds for which the School is responsible as soon as possible, but no later than 45 days after the date of student withdraw/termination.

The school must return the unearned aid for which the school is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

ACADEMIC ADVISEMENT

Students who are finding it difficult to understand a subject are advised to seek help from their Instructor. If the Instructor is unable to help the Student during class time, administrators will arrange for special one-on-one instruction.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Policy (SAP) is applied consistently to all students enrolled at Vogue College. SAP applies to all schedules, both full time and part time schedules. SAP applies to all students regardless of form of payment, Title IV or private pay. This policy is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. SAP will be measured at the following actual clock hour evaluation periods for each program:

Cosmetology 450, 900, and 1200 actual hours

Esthetics at 375 actual hours

Nail Technology at 300 actual hours

Student Instructor (750 Hours) at 375 actual hours

Student Instructor (500 Hours) at 250 actual hours

*Transfer Students – Midpoint of the contracted hours or the payment periods / established evaluation periods, whichever comes first. SAP evaluations are based on actual contracted hours at the institution.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have at least one evaluation by midpoint of the academic year or course and/or program, whichever occurs sooner.

QUANTITATIVE REQUIREMENT – ATTENDANCE PROGRESS EVALUATIONS:

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each payment period/evaluation period, Vogue College will determine if the student has maintained at least 70% cumulative attendance. The student will be monitored from the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time framed allowed.

MAXIMUM TIME FRAME:

The maximum time in which a financial aid student to receive Title IV, HEA funding (which does not exceed 143% of the course length) and to complete each course at satisfactory academic progress is stated below:

Course	MAXIMUM TIME ALLOWED	
	Weeks	Scheduled Hours
Cosmetology (Full Time, 34hrs/wk) – 1500 Hours	63 Weeks	2145
Cosmetology (Part Time, 24hrs/wk) – 1500 Hours	89 Weeks	2145
Cosmetology (Part Time, 16hrs/wk) – 1500 Hours	134 Weeks	2145
Esthetician (Full Time, 34hrs/wk) – 750 Hours	31 Weeks	1072
Esthetician (Part Time, 24hrs/wk)- 750 Hours	45 Weeks	1072
Esthetics (Part Time, 16hrs/wk) – 750 Hours	67 Weeks	1072
Instructor (Full Time, 34hrs/wk) – 750 Hours	31 Weeks	1072
Instructor (Part Time, 24hrs/wk) – 750 Hours	45 Weeks	1072
Instructor (Part Time, 16hrs/wl) – 750 Hours	67 Weeks	1072
Nail Technology (Full Time, 34hrs/wk) – 600 Hours	25 Weeks	858
Nail Technology (Part Time, 24hrs/wk) – 600 Hours	36 Weeks	858
Nail Technology (Part Time, 16hrs/wk) – 600 Hours	54 Weeks	858
Student instructor (Full Time, 34hrs/wk) – 500 Hours	21 Weeks	715
Student Instructor (Part Time, 24hrs/wk) – 500 Hours	30 Weeks	715
Student Instructor (Part Time, 16hrs/wk) – 500 Hours	45 Weeks	715

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 70% of the scheduled hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis. All courses offered by the institution are clock hour programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student’s enrollment agreement.

QUALITATIVE REQUIREMENT – ACADEMIC PROGRESS EVALUATIONS:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical Skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Vogue College. Students must pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

93- 100	A	EXCELLENT
80 - 89	B	VERY GOOD
79- 75	C	SATISFACTORY
74 - BELOW STANDARDS		UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS:

Students meeting the minimum requirements for academics (75%) and attendance (70%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. This report notifies the student of any evaluation that may impact the student's eligibility for Title IV aid. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING STATUS

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION STATUS

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth by the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period, at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance. Students may begin attending makeup hours as they are needed. Full Time Day and Part Time Day students may stay after their scheduled end time. Part Time Evening Students may clock in prior to their scheduled start time if prior approval has been given.

APPEAL PROCEDURE

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special mitigating circumstance. The student must submit a written appeal to Vogue College on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering pursuit of a second

program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses and repetitions do not apply to this institution therefore, these items have no effect upon Vogue College’s satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student’s transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

- **END OF SAP POLICY**

COST OF ATTENDANCE

PAYMENT TERMS AND CHARGES

The Student pays Vogue College the tuition and fees for the program selected in advance upon commencement of the course of study unless other payment arrangements are made and agreed upon by all applicable parties. Payments may be made by cash, TITLE IV, check, money order or through non-federal agency or loan programs. Vogue College may, at its option and without notice, prevent the Student from attending class until the applicable unpaid balance is satisfied. Each course has been scheduled for completion within an allotted time frame. It is not realistic to expect to receive an education for free. Accelerated attendance may reduce financial aid eligibility and result in higher out of pocket cost to Student.

EXTRA INSTRUCTIONAL CHARGES

Vogue College has reserved space, equipment, and licensed Instructors for you. If a Student does not graduate within the contract period, additional training will be billed at the rate of \$250 per week for full time Students or \$250 per week for part-time Students or any part thereof, payable in advance, until graduation. Overtime charges are not eligible for financial aid.

OTHER FEES

\$100 – Schedule Change Fee after one time free of charge. Only 2 changes permitted.

FERPA

FERPA, the Family Educational Rights and Privacy Act of 1974, is a federal law that pertains to the release of and access to Student educational records. FERPA rights apply to Students and guardians of a dependent minor Student; a Student is a person who is, or has been, in attendance at Vogue College, regardless of the person's age. Under FERPA, a Student has a right to:

- Inspect and review his or her educational records.
- Request to amend his or her educational records.
- Have some control over the disclosure of information from his or her educational records.

The directory information made available by Vogue College is:

- Name (maiden, other, preferred, primary)
- Address (all known)
- Telephone (all known)
- Date of Birth
- Birth Location
- Programs
- Dates of Attendance
- Degrees & Awards Received
- Most Recent Previous Educational Institution Attended

FERPA also authorizes disclosure of this information without the Student's consent under certain circumstances. Directory information will be provided to the public upon request unless the Student files a request with Vogue College by asking to be excluded from the directory or from any other requests for open directory information from outside entities. A Student may update access to their information by contacting a Vogue College employee and filing a request to be excluded from the directory or from any other requests for open directory information.

According to FERPA, some non-directory Student records may not be released without prior written consent from the Student. A record is any information recorded in any way, including but not limited to handwriting, print, tape, film, microfilm, microfiche, and digital image. Educational records are all records that contain information that is directly related to a Student and that are maintained by an educational agency or institution or by a party acting on its behalf. Educational records do not include the following:

- Sole possession records (those records kept in the sole possession of the maker which are used only as a personal memory aid and are not accessible or reviewed by any other person except a temporary substitute for the maker of the record.
- Medical or psychological treatment records that include but are not limited to records maintained by physicians, psychiatrists, and psychologists.
- Employment records, provided that employment is not contingent upon being a Student.
- Law enforcement records.

Vogue College will disclose information from a Student's education record without the written consent of the Student to Staff members who require access to educational records in order to perform their legitimate educational duties; officials of other Colleges in which the Student seeks or intends to enroll; and in connection with a Student's application for, or receipt of, financial aid; and State, Federal, and accrediting agencies as required.

Under FERPA, Students have a right to see, inspect and request changes to their educational records. Upon request, Vogue College shall provide a Student access to his or her educational records except for financial records of the Student's parents or guardian; and confidential letters of recommendation where the Student has signed a waiver of right of access. Educational records covered by

FERPA normally will be made available within ten (10) days of the request. All records are to be reviewed by Students in the presence of a Staff member. The contents of a Student's educational records may be challenged by the Student on the grounds that they are inaccurate, misleading, or otherwise in violation of the privacy rights of the Student by submitting a written statement to Vogue College.

It is the policy of Vogue College that it will maintain the FERPA disclosure code in effect at the time of a Student's last term of enrollment for former Students. Furthermore, Vogue College will honor a request from a former Student, not re-enrolled, to add or delete a non-disclosure request.

FERPA rights cease upon death. However, it is the policy of Vogue College that no records of deceased Students be released for a period of five (5) years after the date of the Student's death, unless specifically authorized by the executor of the deceased's estate or by next of kin.

If a Student believes that their FERPA rights have been violated, they may contact the Family Policy Compliance Office at the Department of Education, 400 Maryland Ave SW, Washington DC 2002-4605. Additional information is available at: www.ed.gov/policy/gen/guid/fpco/

PARENT RIGHTS UNDER FERPA

At the post-secondary level, parents have no inherent right to access or inspect their son's or daughter's educational records, including final grades, grades on exams, and other information about academic progress. This information is protected under FERPA and parents do not have access to it unless the Student has provided express written authorization, or unless the Student is a dependent as defined in Section 152 of the Internal Revenue code of 1954.

Students can give express written permission of access to their educational record by completing the Privacy Release Authorization Form and remitting it to Vogue College.

In emergency or crisis situations, Vogue College may release non-directory information if the institution determines that the information is necessary to protect the health or safety of the Student or other individuals.

In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

Disciplinary action may be taken in the event that the provisions of this guideline are violated. The administration has sole discretion in determining what action, if any, will be taken against persons violating the provisions of this guideline. Handling of violations to this guideline may vary according to the particular situation. Where the use of the computer is an integral part of the instructional program, violators need to be disciplined immediately and regain access to the computer so that instruction may continue. Disciplinary action may range from a verbal reprimand to legal action.

INTERNET GUIDELINES

Internet access is now available to Students and Staff. The goal in providing this service to Instructors and Students is to promote educational excellence by facilitating resource sharing, innovation, collaboration, and communication. Vogue College's network is an electronic network, which enables access to the Internet. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and Instructors and Staff may have access to:

- Information and news
- Opportunity to and research
- Public domain and shareware software of all types

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the Vogue College setting. On a global network, it is impossible to control all materials and an industrious user may discover controversial information. The College firmly believes that the educational value of information and the interaction available on this worldwide network outweighs the risks that users may procure materials that are not consistent with the educational goals of Vogue College.

PRIVILEGES

The use of the network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator may close an account at any time as required. Vogue College may request the System Administrator to deny, revoke, or suspend specific user accounts.

Do not demonstrate the problem to other users. Do not use another user's account. Do not give your password to any other individual. Attempts to log in to the network as a System Administrator will result in cancellation of user privileges.

VANDALISM

Vandalism will result in immediate cancellation of privileges and may result in disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user and abuse or misuse of hardware. This includes, but is not limited to, the uploading or creation of computer viruses. Users should report any suspected violations to a teacher, administrator or system administrator.

GRIEVANCE POLICY

In accordance with the institution's mission Statement, Vogue College will make every attempt to resolve any Student complaint that is not frivolous or without merit. Evidence of final resolution of all complaints will be retained in School files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The Student should register the complaint in writing on the designated form provided by the institution within 10 days of the date that the act which is the subject of the complaint occurred.
2. The complaint form will be given to Vogue College Director.
3. The complaint will be reviewed by Vogue College Director and Corporate Office and a response will be sent in writing to the Student within 30 days of receiving the complaint. The initial response may not provide for a final resolution of the problem but will notify the Student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by Vogue College and/or Home Office it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate Staff and other Students may be necessary

- to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, Vogue College will appoint a Hearing Committee consisting of one member selected by Vogue College who has had no involvement in the dispute and who may also be a Corporate Officer, another member who may not be related to the Student filing the complaint or another Student in Vogue College, and another member who may not be employed by Vogue College or related to Vogue College Owners. The hearing will occur within 30 days of committee appointment. The hearing will be informal with the Student presenting his/her case followed by Vogue College's response. The Hearing Committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. The Corporate Office shall consider the report and either accept, reject, or modify the recommendations of the committee.
 7. Students must exhaust Vogue College's Student Complaint Procedure before submitting the complaint to the State or School's accrediting agency. State and accrediting agency contact information may be found elsewhere in this catalog.

<p>Campus Security, Drug, Alcohol and Sexual Assault Policies & Annual Clery Crime Report</p>
--

The Campus Security Act (Public Law 102-26) requires postsecondary institutions to annually disclose the number of instances in which certain specific types of crimes have occurred in any building or on any property owned or controlled by this institution which is used for activities related to the educational purpose of the institution and/or any building or property owned or controlled by Student organizations recognized by this institution. In compliance with that law, the following reflects this institution's crime statistics.

1. This institution does not employ campus security personnel but encourages both its Employees and Students to immediately report suspected criminal activity or other emergencies to local law enforcement or other emergency response agencies by dialing (911). Vogue College Director should also be notified.
2. All Students and Employees are required to report any crime or emergency to a Staff member promptly. If a Student or employee wishes to report a crime on a voluntary or confidential basis, the institutional official will be prepared to record and report the crime, but not the name of the informant. The Student or employee may, in order to maintain confidentiality, submit the information in writing a Staff member with or without a signature who in turn will contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency or by calling (911) if appropriate. An "Incident Report" should be completed by a Staff member for any instance of crime or emergency within the physical walls of Vogue College and outside parking areas.
3. Current policies concerning campus law enforcement are as follows:
 - a) Institution's officials have no powers of arrest other than the Citizens Arrest Law, and are required in the event of a crime or emergency to call the correct agency or dial (911) for the police and emergency services. The Citizens Arrest Law will be invoked only as a last resort, and after all other possibilities have been explored.
 - b) Employees shall contact their immediate or nearest ranking supervisor to report any criminal action or emergency to the appropriate agency by calling (911).
 - c) The institution currently has no procedures for encouraging or facilitating pastoral or professional counseling (mental health or otherwise), other than the Student or employee is encouraged to seek such aid.
4. Though this institution does not offer regularly scheduled crime awareness or prevention programs, Students are encouraged to exercise proper care in seeing to their own personal safety and the safety of others. The following rules

- are designed for the prevention of crimes on campus.
- a) Do not leave personal property in classrooms
 - b) Report to your institutional official, any suspicious persons.
 - c) Always try to walk in groups outside Vogue College premises.
 - d) If you are waiting for a ride, wait within sight of other people
 - e) Emergency procedures are outline in the catalog and are covered on the first day of class.
5. Information regarding any crimes committed on the campus or leased/attached properties (parking lot) will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim, or an ongoing criminal investigation the safety of an individual, cause a suspect to flee evade detection: or result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty 60 days, that information must be made available within two (2) business days of the request.
6. In compliance with federal Government regulations for a drug-free workplace for Students and Employees. Any Student caught in possession, use, or distribution of illegal substances or paraphernalia will be dismissed and/or referred to the appropriate agency. Students convicted for any offense, during a period enrollment for which the Student was receiving Title IV funds, under any federal or State law involving possession or sale of illegal drugs will result in the loss of eligibility for any Title IV assistance.

This policy strictly prohibits the illegal use, possession, manufacture, dispensing, or distribution of alcohol, drugs or controlled substances in the workplace, on its premises, or as a part of all School sponsored activities. A violation of this policy is considered a major offense, which may result in requirement for satisfactory participation in a drug or alcohol rehabilitation program, referral for criminal prosecution, and/or immediate disciplinary action up to and including termination from employment and suspension or expulsion from Vogue College. A criminal conviction is not required for sanctions to be imposed upon an employee or Student for violations of this policy. Violations of applicable local, State and federal laws may subject a Student or employee to a variety of legal sanctions including but not limited to fines, incarceration, imprisonment and/or community service requirements. Convictions become a part of an individual's criminal record and may prohibit certain career and professional opportunities.

The following information is provided in accordance with the Drug Free Workplace Act of 1988 (P.L. 100-690, Title V, Subtitle D) and the Drug Free Schools and Communities Act Amendments of 1989 (P.L. 101-226).

Health Risks

Health risks generally associated with alcohol and drug abuse can result in but are not limited to a lowered immune system, damage to critical nerve cells, physical dependency, lung damage, heart problems, liver disease, physical and mental depression, increased infection, irreversible memory loss, personality changes and thought disorders. The use of alcohol and other drugs represents a serious threat to health and the quality of life. More than 25,000 people die each year from drug-related accidents or health problems. With most drugs, it is possible that users will develop psychological and physical dependence. The general categories of drugs and their effects are as follows:

Alcohol produces short-term effects that include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain; ulcers; gastritis; malnutrition; delirium tremens; and cancer. Alcohol combined with barbiturates and other depressants can prove to be a deadly mixture.

Amphetamines/Stimulants (speed, uppers, crank, caffeine, etc.) speed up the nervous system and can cause increased heart and breathing rates, higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleeplessness, anxiety, hallucinations, paranoia, depression, convulsions and death due to a stroke or heart failure.

Anabolic steroids seriously affect the liver, cardiovascular and reproductive systems. They can cause sterility in males and females as well as impotency in males.

Barbiturates/Depressants (downers, Quaaludes, Valium, etc.) slow down the central nervous system and can cause decreased heart and breathing rates, lowered blood pressure, slowed reactions, confusion, distortion of reality, convulsions, respiratory depression, coma and death. Depressants combined with alcohol can be lethal.

Cocaine/Crack stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, elevated blood pressure, insomnia, loss of appetite, hallucinations, paranoia, seizures and death

due to cardiac arrest or respiratory failure.

Hallucinogens (PCP, angel dust, LSD, etc.) interrupt the functions of the part of the brain that controls the intellect and instincts. May result in self-inflicted injuries, impaired coordination, dulled senses, incoherent speech, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

Cannabis (marijuana, hashish, hash, etc.) impairs short-term memory comprehension, concentration, coordination and motivation. May also cause paranoia and psychosis. Marijuana smoke contains more cancer-causing agents than tobacco smoke. The way in which marijuana is smoked - deeply inhaled and held in the lungs for a long period - enhances the risk of getting cancer. Combined with alcohol, marijuana can produce a dangerous multiplied effect.

Narcotics (heroin, morphine, Demerol, percodan, etc.) initially produce feelings of euphoria often followed by drowsiness, nausea and vomiting. An overdose may result in convulsions, coma and death. Tolerance develops rapidly and dependence is likely. Using contaminated syringes to inject such drugs may result in AIDS.

Tobacco/nicotine causes death among some 170,000 people in the United States each year due to smoking-related coronary heart disease. Some 30 percent of the 130,000 cancer deaths each year are linked to smoking. Lung, larynx, esophagus, bladder, pancreas and kidney cancers strike smokers at increased rates. Emphysema and chronic bronchitis are 10 times more likely among smokers.

Punishment for Alcohol and Drug Related Crimes in the State of Texas:

The Texas Health and Safety Code sets the possession law, dividing controlled substances into five penalty groups, plus a marijuana category. While some of the substances are legal, it is illegal to possess them without a prescription, and the health code establishes the punishments for illegal possession.

400 grams or more	Enhanced first-degree felony	5 to 99 years and a fine of not more than \$50,000

The Texas Tax Code, in addition to the criminal penalties for drug possession, also sets potential civil penalties. Although the statute is not often used in minor possession cases, the code requires that taxes must be paid on illegal drugs, so that “dealers” who possess over certain amounts can be charged with tax evasion. The State of Texas can also suspend your license for up to six months following a conviction on any violation of the Texas Controlled Substances Act.

The Code of Criminal Procedure also allows police to seize any property used or “intended to be used” in the commission of a drug felony. That means they can take your car, your home, or any other belonging where you are accused of carrying or hiding drugs. The asset forfeiture law is a civil action, not criminal, and you don’t have to be convicted for the State to try to take your property. Drug possession penalties are complicated, and depend on the classification of the substance and the quantity.

Possession of Drug Paraphernalia:

Any item that can be used as a drug processing, packaging, or consumption mechanism can be defined as paraphernalia under 481.002 (17) of the Texas Controlled Substances Act. Even common household items such as scales, spoons, bowls, envelopes or bags can land you an illegal possession of paraphernalia charge. The most common paraphernalia charges result from pipes, and bongs.

Simple possession of drug paraphernalia is a Class C Misdemeanor, which carries a penalty of fines.

Distribution or possession with intent to distribute or sell drug paraphernalia is a Class A misdemeanor, which can result in up to a year in jail. Second offense penalties will result in mandatory jail time, or if you sell to someone under 18 years old.

Any person who may be a victim or is aware of a victim of sexual assault on campus should immediately report the incident to Vogue College President and/or any Staff member the Student is comfortable confiding in.

Students, faculty, and Staff are strongly encouraged to report sexual assaults to the local Police Department, whether the assault occurs on or off campus, no matter who the alleged assailant is. If the assault occurs off campus, Vogue College will assist a victim with notification to the appropriate law enforcement agency having police jurisdiction where the crime occurred.

It is important for persons who have been sexually assaulted to seek medical attention. A representative from the STARS (Sexual Trauma & Assault Response Services) is available to accompany Students who have been sexually assaulted to the hospital and for counseling, if desired. A medical examination specifically tailored for sexual assault victims is conducted by the hospital Staff. This will help preserve important evidence of the sexual assault if the person who has been sexually assaulted decides later to prosecute. It is important for persons who have been sexually assaulted to contact the police who will arrange for immediate medical attention and will initiate an investigation.

Vogue College does not provide programs to promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses due to the fact that no Students reside on campus or participate in activities outside the supervision of Instructors.

Vogue College will work with local law enforcement to investigate all sexual assault complaints with sensitivity, compassion, patience and respect for the victim. Investigations are conducted in accordance with guidelines established by Texas State law and the County District Attorney's Office.

In accordance with the Texas Code of Criminal Procedure Art. 57, victims may use a pseudonym to protect their identity. A pseudonym is a set of initials or a fictitious name chosen by the victim to be used in all public files and records concerning the sexual assault. Victims of sexual assault are not required to file criminal charges; however, preferring charges is encouraged.

If you have been sexually assaulted:

1. Call 9-1-1 on campus/from a cell phone or off campus phone line.
2. DO NOT shower, bathe, or douche.
3. Have a trusted friend take you to a medical center that performs sexual assault examinations. Take the clothes in which you were assaulted with you to the hospital in a paper bag, not plastic.
4. Obtain counseling services recommendations from the hospital or law enforcement.
5. Remember it is not your fault.

How to file a sexual assault complaint If the complainant elects not to file criminal charges, but still wishes to proceed with formal administrative charges, an investigation is conducted, and the case is referred to Vogue College President. Disciplinary actions assessed in a particular case will be dependent upon the nature of the conduct involved, the circumstances and conditions which existed at the time the Student engaged in such conduct and the results which followed as a natural consequence of such conduct.

Sanctions can include the following:

- Disciplinary warning
- Disciplinary probation
- Withholding of grades, official transcript or degree
- Bar against readmission or drop from current enrollment
- Restitution
- Suspension of rights and privileges
- Suspension
- Expulsion
- Other penalty as deemed appropriate under the circumstances

- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Survivors shall be informed of their options to notify law enforcement
