A limited number of secondary students who are not enrolled under a training agreement (no more than 10% of the number of students currently enrolled) may be admitted if the applicant meets the state requirements for admission, obtains permission in writing from the secondary school in which they are enrolled, and successfully completes a pre-enrollment evaluation as established by the institution.

If the prospective Student is a transfer Student, they must meet the following additional criteria:

- If he/she is transferring hours from another School, he/she will be asked to request a transcript.
- If the prospective Student is transferring instruction hours from a School in another State, the instruction provided must be recognized and accepted by the State Board of Cosmetology toward the course offered by Vogue College.
- Transfer Students will not be allowed to enroll until they have officially terminated their enrollment at their previous School. Tuition and hourly credit will be allowed as verified by the transcript. The previous hours will count towards the maximum timeframe requirement of 150% (See SAP Policy).
- Tuition charges will be prorated for the remainder of the instruction hours needed to complete the course as offered by the School. Remaining tuition charges for the course, along with enrollment fees, will be charged accordingly. Transfer Students are eligible to receive financial aid, if qualified.

Vogue College will administer a scholastic evaluation of Students wishing to transfer to Vogue College or require the transfer Student to enter Phase 1. Based on the test results, if applicable, Vogue College may recognize credit for all or part of the applicant's previous training or work experience, provided it is recognized by the State Regulatory Agency. Transfer Students must comply with the class level assigned as a result of the scholastic evaluation. In addition, such Students must meet all regular entrance and registration requirements. Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy (SAP) is applied consistently to all students enrolled at Vogue College. SAP applies to all schedules, both full time and part time. SAP applies to all students regardless of form of payment, Title IV or private pay. This policy is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Periods

SAP will be measured at the following actual clock hour evaluation periods for each program:

Cosmetology:	450 actual hours and 15 weeks 900 actual hours and 30 weeks
Cosmetology Hybrid:	450 actual hours and 15 weeks 900 actual hours and 30 weeks
Esthetics:	375 actual hours and 13 weeks

Esthetics Hybrid:	375 actual hours and 13 weeks
Nail Technology:	300 actual hours and 10 weeks
Nail Technology Hybrid:	300 actual hours and 10 weeks

Transfer Students – Midpoint of the contracted hours or the payment periods/established evaluation periods, whichever comes first. SAP evaluations are based on actual contracted hours at the institution.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have at least one evaluation by midpoint of the academic year or course and/or program, whichever occurs sooner. An academic year is defined as 900 clock hours over 30 academic weeks.

Quantitative Requirement – Attendance Progress Evaluations:

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each payment period/evaluation period, Vogue College will determine if the student has maintained at least 67% cumulative attendance. The student will be monitored from the beginning of the course, which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame:

The maximum time for satisfactory course completion, as well as the maximum time for a financial aid student to receive Title IV, HEA funding (which does not exceed 150% of the course length) is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Cosmetology (FT, 35hrs/wk) – 1000 hours	29	1500
Cosmetology (PT, 25hrs/wk) – 1000 hours	40	1500

Nail Technology Hybrid (PT, 20hrs/wk) – 600 Hours	30	900

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 70% of the scheduled hours. Students who have not completed the course within the maximum timeframe may continue on a cash-pay basis. Terminated students may pursue re-entry in to the institution as a cash pay student by following and fulfilling the requirements outlined in the institution’s re-entry policy. Re-entry is not guaranteed. All courses offered by the institution are clock hours programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour-based programs. Enrollment is based on one period of continuous enrollment, which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes fall, winter, spring, and summer, as applicable to the student’s enrollment agreement.

Qualitative Requirement – Academic Progress Evaluations:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical Skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Vogue College. Students must pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

- 93-100 EXCELLENT
- 85-92 VERY GOOD
- 75-84 SATISFACTORY
- 74 and Under UNSATISFACTORY

Determination of Progress Status:

Students meeting the minimum requirements for academics (75%) and attendance (67%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. This report notifies the student of any evaluation that may impact the student’s eligibility for Title IV aid. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning Status

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV Funds.

Probation Status

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth by the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period, at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance. Students may begin attending makeup hours as they are needed. Full Time Day and part Time Day students may stay after their scheduled end time. Part Time Evening Students may clock in prior to their scheduled start time, if prior approval has been given.

Appeal Procedure

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special mitigating circumstance. The student must submit a written appeal to Vogue College on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering pursuit of a second

program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution; therefore, these items have no effect upon Vogue College's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

End of SAP Policy

- The date the institution receives the student's written notice of withdrawal; or
- 14 calendar days after the last date of attendance

The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not exceeding, 14 calendar days from the student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 14 calendar days from their last date of physical attendance without notifying the school's administrative office.

If a student withdraws from a course offered by Vogue College of Cosmetology, or is terminated by the school during the last 50 percent of the course, the school:

- (1) May retain 100 percent of the tuition and fees paid by the student; and
- (2) Is not obligated to refund any additional outstanding tuition.

If a student withdraws from the course, or is terminated by the school after the expiration of the cancellation period established above, and before the last 50 percent of the course, the school shall refund:

- (1) 90 percent of any outstanding tuition for a withdrawal or termination that occurs during the first week or first one-tenth of the course, whichever period is shorter
- (2) 80 percent of any outstanding tuition for a withdrawal or termination that occurs after the first week or first one-tenth of the course, whichever period is shorter, but within the first three weeks of the course
- (3) 75 percent of any outstanding tuition for a withdrawal or termination that occurs after the first three weeks of the course but not later than the completion of the first 25 percent of the course.
- (4) 50 percent of any outstanding tuition for a withdrawal or termination that occurs not later than the completion of the first 50 percent of the course
 - Any monies due the applicant or Student shall be refunded within 30 days of formal cancellation date, as defined above.
 - In the case of disabling illness or injury, death in the Student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.
 - If permanently closed or no longer offering instruction after a Student has enrolled, Vogue College will provide a pro rata refund of tuition to the Student.
 - This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the Student may have incurred at the institution (EG: nonreturnable kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal.

*If a student voluntarily withdraws or is terminated after completing 50 percent of the course at Vogue College, the school shall allow the student to re-enter at any time during the 48 month period following the date of withdrawal or termination.

A student who receives a grade of incomplete may reenroll in the program during the 48 month period following the date the student withdraws and completes the subjects without payment of additional tuition.

- If a Title IV financial aid recipient* withdraws prior to course completion, a calculation for return to TIV funds will be completed and any applicable returns by Vogue College shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private, or institutional student financial assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by Vogue College and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Return of Title IV Funds

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from the school. The Title IV programs that are covered by this law are: Federal Pell Grants.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal): The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not exceeding, 14 calendar days from the student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 14 calendar days from their last date of physical attendance without notifying the school's administrative office.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant of funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If the post-withdrawal disbursement includes loan funds, the School must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does not incur additional debt. A notice will be sent out to the student, and the signed, original document must be returned to the School within 14 days.

Any amount of unearned grant funds that you must return is called an overpayment. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school will make the refund determination within thirty (30) days from the date of withdraw/termination and return the unearned funds for which the School is responsible as soon as possible, but no later than 45 days after the date of student withdraw/termination.

The school must return the unearned aid for which the school is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

- 1) Unsubsidized Federal Stafford Student Loan Program;
- 2) Subsidized Federal Stafford Student Loan Program;
- 3) Federal Pell Grant Program;
- 4) Other Federal, State, private, or institutional student financial assistance programs; and
- 5) To the student.

Employment Assistance

While Vogue cannot guarantee employment for Graduates, assistance in finding suitable employment is provided by posting area job openings. Students also receive classroom training on professionalism, how to write a resume, job searching, completing an employment application and preparing for an effective interview. This is an excellent opportunity for the Student to obtain professional salon exposure, secure future employment and make the transition from School to work with ease.

FERPA

FERPA, the Family Educational Rights and Privacy Act of 1974, is a federal law that pertains to the release of and access to Student educational records. FERPA rights apply to Students and guardians of a dependent minor Student. A Student is a person who is, or has been, in attendance at Vogue College, regardless of the person's age. Under FERPA, a Student has a right to:

- Inspect and review his or her educational records.
- Request to amend his or her educational records.
- Have some control over the disclosure of information from his or her educational records.

The directory information made available by Vogue College is:

- Name (maiden, other, preferred, primary)
- Address (all known)
- Telephone (all known)
- Date of Birth
- Birth Location
- Programs
- Dates of Attendance
- Degrees & Awards Received
- Most Recent Previous Educational Institution Attended

FERPA also authorizes disclosure of this information without the Student's consent under certain circumstances. Directory information will be provided to the public upon request unless the Student files a request with Vogue College by asking to be excluded from the directory or from any other requests for open directory information from outside entities. A Student may update access to their information by contacting a Vogue College employee and filing a request to be excluded from the directory or from any other requests for open directory information.

According to FERPA, some non-directory Student records may not be released without prior written consent from the Student. A record is any information recorded in any way, including but not limited to handwriting, print, tape, film, microfilm, microfiche, and digital image. Educational records are all records that contain information that is directly related to a Student and that are maintained by an educational agency or institution or by a party acting on its behalf. Educational records do not include the following:

- Sole possession records (those records kept in the sole possession of the maker which are used only as a personal memory aid and are not accessible or reviewed by any other person except a temporary substitute for the maker of the record.)
- Medical or psychological treatment records that include, but are not limited to, records maintained by physicians, psychiatrists, and psychologists.
- Employment records, provided that employment is not contingent upon being a Student.
- Law enforcement records.

Vogue College will disclose information from a Student's education record without the written consent of the Student to Staff members who require access to educational records in order to perform their legitimate educational duties; officials of other Colleges in which the Student seeks or intends to enroll; and in connection with a Student's application for, or receipt of, financial aid; and State, Federal, and accrediting agencies, as required.

Under FERPA, Students have a right to see, inspect, and request changes to their educational records. Upon request, Vogue College shall provide a Student access to his or her educational records, except for financial records of the Student's parents or guardian; and confidential letters of recommendation where the Student has signed a waiver of right of access. Educational records covered by FERPA normally will be made available within ten (10) days of the request. All records are to be reviewed by Students in the presence of a Staff member. The contents of a Student's educational records may be challenged by the Student on the grounds that they are inaccurate, misleading, or otherwise in violation of the privacy rights of the Student by submitting a written statement to Vogue College.

It is the policy of Vogue College that it will maintain the FERPA disclosure code in effect at the time of a Student's last term of enrollment for former Students. Furthermore, Vogue College will honor a request

from a former Student, not re-enrolled, to add or delete a non-disclosure request.

FERPA rights cease upon death. However, it is the policy of Vogue College that no records of deceased Students be released for a period of five (5) years after the date of the Student's death, unless specifically authorized by the executor of the deceased's estate or by next of kin.

If a Student believes that their FERPA rights have been violated, they may contact the Family Policy Compliance Office at the Department of Education, 400 Maryland Ave SW, Washington, DC 2002-4605. Additionally, information is available at: www.ed.gov/policy/gen/guid/fpc/.

Parent Rights Under FERPA

At the post-secondary level, parents have no inherent right to access or inspect their son's or daughter's educational records, including final grades, grades on exams, and other information about academic progress. This information is protected under FERPA and parents do not have access to it unless the Student has provided express written authorization, or unless the Student is a dependent as defined by Section 152 of the Internal Revenue code of 1954.

Students can give express written permission of access to their educational record by completing the Privacy Release Authorization Form and remitting it to Vogue College.

In emergency or crisis situations, Vogue College may release non-directory information if the institution determines that the information is necessary to protect the health or safety of the Student or other individuals.

Student Records

Student physical files are kept on campus for 6 years, as well as electronically on a secure remote server indefinitely. In January of each year, campus staff reviews files to determine which files are at or over 6 years from the student's graduation date, and those files are sent to the Home Office in Austin, TX, to be shredded in January of the following year. Physical files are kept a total of 7 years from the year of the student's graduation. Student files contain all original enrollment and financial aid documents, advising and final transcripts, all fees and tuition paid by the student, and student attendance history.

All students receive a transcript as part of their monthly academic and attendance evaluations, as well as upon completion of their program. Students may request transcripts at any time by contacting their campus directly, or the Vogue College of Cosmetology Home Office:

**Vogue College of Cosmetology Home Office
1101 South Capital of Texas Highway K-150
Austin, TX 78746

Vogue College offers continuous educational advisements to currently enrolled Students and qualified Graduates. Staff members and Instructors are encouraged to mentor Students for their professional growth. Students who are in need of additional services may be referred to professionals who can assist them. Vogue College Staff members and Instructors are not qualified to provide assistance in these areas.

Academic Advisement

Beauty Industry Careers

There are many wonderful career opportunities available within the beauty industry. In addition to entry level placement as a Cosmetologist, Esthetician, and Nail Technician, this industry also offers opportunities in areas such as hairstyling, skin care, makeup, nail artistry, sales, instructing, training, etc.

Physical Demands and Safety Requirements

You may work long hours, especially those who own salons. Work schedules may include nights and weekends, and may not include breaks or lunches. Good health and stamina are a must. Most salon industry professionals may be on their feet for long periods of time. Prolonged exposure to some chemicals may

cause irritation so protective clothing, facemasks, goggles, and gloves should be worn.

Licensure Requirements

Any person is eligible to receive a license as a cosmetologist, a nail technician, or an esthetician who submits proof that he is at least 17 years of age; has an education equivalent to the completion of the second year of an approved high School; has completed the required clock hours in an approved School for the applicable program; has paid the required fees; and has passed the examination conducted by the Board to determine his fitness to receive a license. Any person applying to take a State Board examination may be required to have an official United States Government issued identification to take the exam.

The Texas Department of Licensing and Regulation also runs a criminal background check through the Department of Public Safety (DPS) on each original license application and each renewal application filed. If the application or the DPS check reveals a conviction that could be a basis for denying the license, the Licensing Staff will refer the matter to TDLR's Enforcement Division for further review. It should be noted that a decision to deny licensure will result in an individual not being able to obtain gainful employment their chosen field. Please see the TDLR Regulation of Barbering and Cosmetology; Occupations Code, Chapter 1603. Title 9: Subchapter I; Denial and Disciplinary Procedures Sec. 1603.401.

Campus Performance Statistics

The School tracks its annual performance with respect to Student graduation rate, licensure rate, and employment (placement) rate. The performance rates for the 2023 NACCAS Annual Report are listed below for each campus. (Please note that programmatic rates get combined into a cumulative average for “related programs” as defined by NACCAS. In this case, all of our programs fall under Cosmetology Related Programs.)

		Overall Campus
Graduation:	(50% Min.)	86.04%
Licensure:	(70% Min.)	80.90%
Placement:	(60% Min.)	67.71%

OSHA

The United States Department of Labor of Occupational Safety and Health Administration requires Vogue College to advise its Students of the chemicals used in cosmetology and related training. During Orientation the Student will learn about the importance of safety in the work place and how to use and follow the Material Safety Data Sheets (MSDS) for chemicals used in cosmetology or related training. During each unit of study Students are apprised of the various chemicals used and safe practices that apply. In addition, a complete file containing Material Safety Data Sheets for the chemicals used at Vogue College is available in the administration office.

EMERGENCY PROCEDURES

Vogue College has fire extinguishers located on the service floor. Exit doors are located in the front and back of Vogue College in the event of an evacuation. Students and Employees are shown all exits during their initial tour of the campus. Students are advised to evacuate the premises in an orderly fashion and not to return until directed by Vogue College personnel. In the event of an emergency, call 911 immediately. Evacuation maps are posted in Vogue College.

Attendance Policy

Attend all classes according to the assigned schedule, including theory classes even if all required tests are completed. Students will clock in and out daily on the attendance report and attend Saturdays, as required by the Enrollment Agreement. Students will take morning and afternoon breaks in accordance with policy. Students will be advised of attendance when attendance falls below 70%. Falling below 70% attendance will result in no longer being able to obtain personal services or family service discounts.

Over Scheduled Daily Hours

Students may be required to stay on campus past their scheduled hours to complete services on clients.

Makeup Policy

Students who do not obtain a satisfactory score are required to re-take the test on another version of the test for that subject before the end of the month (or within the first five days of the following month) to obtain a satisfactory or better score. Students who miss a test due to absence are encouraged to make the test up within the same month it was missed, but Vogue College acknowledges that the Student does have until course completion to ensure that all requirements are met. The monthly theory test averages are based on tests taken throughout the month. Cumulative theory averages are based on tests taken from the beginning of the course through the month being evaluated.

In regards to students who need to make up missed clock hours and increase their attendance percentage: Full Time Day and Part Time Day students may stay after their scheduled end time. Part Time Evening Students may clock in prior to their scheduled start time if prior approval has been given. The monthly attendance percentage is based on hours clocked in for that month. The cumulative attendance percentage is based on the hours clocked in from the beginning of the course through the day being evaluated.

Leave of Absence Policy

A Leave of Absence (LOA) is a temporary interruption in a Student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA. Students must request an LOA in advance (unless unforeseen circumstances prevent the student from requesting in advance), in writing, stating the reason for the leave, provide written documentation, and include the student's signature for approval by the School Owner or Administrator. The school may grant an LOA to a student who did not provide the request prior to the LOA due to an unforeseen circumstance and must document the reason for the decision, and collect all applicable documents for the LOA from the student at a later date. If approved, the official Leave will extend the contract period by the same number of days designated in the leave document or actually used by the Student. Changes to the contract period are listed on the enrollment agreement addendum, which must be signed by all parties upon the student's return from LOA. No re-entry fee or any type of institutional fees will be charged if the Student returns to class on or before the first class day scheduled after the termination of the LOA. For programs less than 900 hours in length (Nail Technology & Esthetics), LOAs will be approved for a minimum of two weeks at a time and may not exceed four weeks. These two week segments can be taken separately or together. For programs greater than 900 hours (Cosmetology), LOAs will be approved for a minimum of four weeks at a time and may not exceed eight weeks. These two week segments can be taken separately or together. This is true for the entirety of a student's enrollment in a program. All approved LOAs will be scheduled to begin on the first class day after the Student's last physical day of attendance prior to beginning the LOA and end on the "Scheduled Return Date." A student who does not return to School, or has failed to request an additional LOA prior to the "Scheduled Return

Date” will be dropped. As this institution is required to take attendance, the withdrawal date for the purpose of calculating a refund is always the student’s last day of attendance. LOA will be considered on a case-by-case basis for situations like family and medical emergencies, and unusual circumstances. A student granted an LOA that meet’s the school’s LOA requirements is not considered to have withdrawn, and no refund calculation is required at that time. For Federal Aid recipients, the Student’s payment period is suspended during the LOA and no federal financial aid will be disbursed to Students while on a LOA. Upon the Student’s return, the Student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the Student is a Title IV loan recipient, the Student will be informed of the effects that the Student’s failure to return from a leave may have on the Student’s loan repayment terms, including the expiration of the Student’s grace period.

Standards of Conduct and Professionalism

These Standards of Conduct and Professionalism are established for the specific purpose of promoting an enriched learning environment for all Students. Developing efficient work habits, a positive attitude and definite goal orientations during training will enhance your potential for success. Copyright and Computer Use Policy

Vogue College supports enforcement of copyright law for the protection of its Employees as both creators and users of copyright protected works. Vogue College requires that Staff and Students comply with federal law regarding the use of copyright protected materials. In addition, in the spirit of promoting "the progress of science and the useful arts," Vogue College supports the fair use for such purposes as criticism, comment, news reporting, teaching scholarship or research and reproduction of copyrighted materials (including multiple copies for classroom or library use), for educational purposes as outlined in the federal Copyright Law (PL94-553).

Administrative Rule

1. This administrative rule is based upon the original Copyright Act of 1976 and the amendments added by the Digital Millennium Copyright Act signed into law in 1998.
2. This administrative rule applies to all Staff and Students who make use of materials created by entities other than themselves. This includes but is not limited to materials used for classroom teaching, out of class presentations, online distribution, professional conferences, homework assignments, electronic transmission and for College publication.
3. Copyright issues dealing with intellectual property created by Staff and Students are covered

- in the administrative rule on intellectual property.
4. Vogue College considers the educational environment to consist of traditional on-campus instruction. Additionally, the Hybrid programs' educational environments also include distance learning for 25% of the programs.
 5. Staff and Students are expected to comply with copyright law and to apply the fair use criteria to each use of material of which they are not the originator.
 6. Unauthorized peer-to-peer file sharing, illegal downloading or unauthorized distribution of copyrighted materials using the institution's information technology system is prohibited.
 7. The only software programs, other than Students' projects, to be used on systems for Vogue College are those products for which Vogue College owns a valid license or Vogue College may legally use. Copying Vogue College's software from the computer system is considered theft and is a serious offense. Copying or modifying College software and/or borrowing software from the labs is not permitted. If you have a question, please see the system administrator.

In compliance with the Section 512(2)(c)(2) of Chapter 5, Title 17 of United States Code, Vogue College shall have a DESIGNATED AGENT "to receive notifications of claimed infringement" and "other contact information which the Register of Copyrights may deem appropriate." The designated agent for Vogue College will be the President.

Fair Use

Fair Use is the use of a copyrighted work for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research.

In determining whether the use made of a work in any particular case is a fair use, the factors to be considered shall include:

1. The purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;
2. The nature of the copyrighted work;
3. The amount and substantiality of the portion used in relation to the copyrighted work as a whole; and
4. The effect of the use upon the potential market for or value of the copyrighted work.

Vogue College encourages Staff and Students to be diligent in the application of the fair use criteria. Through diligent application College constituents and Vogue College avail themselves of protection from infringement by establishing "reasonable grounds for believing that his or her use of the copyrighted work was a fair use" according to Sections 107 and 504c of United States Code title 17.

Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights Granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Website of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

Disciplinary Action

Disciplinary action may be taken in the event that the provisions of this guideline are violated. The administration has sole discretion in determining what action, if any, will be taken against persons violating the provisions of this guideline. Handling of violations to this guideline may vary according to the particular situation. Where the use of the computer is an integral part of the instructional program, violators need to be disciplined immediately and regain access to the computer so that instruction may continue. Disciplinary action may range from a verbal reprimand to legal action.

Internet Guidelines

Internet access is now available to Students and Staff. The goal in providing this service to Instructors and Students is to promote educational excellence by facilitating resource sharing, innovation, collaboration, and communication. Vogue College's network is an electronic network, which enables access to the Internet. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and Instructors and Staff may have access to:

- Information and news
- Opportunity to and research
- Public domain and shareware software of all types

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the Vogue College setting. On a global network, it is impossible to control all materials and an industrious user may discover controversial information. The College firmly believes that the educational value of information and the interaction available on this worldwide network outweighs the risks that users may procure materials that are not consistent with the educational goals of Vogue College.

Privileges

The use of the network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator may close an account at any time, as required. Vogue College may request the System Administrator to deny, revoke, or suspend specific user accounts.

Users' Obligations

Users must be clearly aware of which computing practices are considered acceptable and which are considered unacceptable.

- Vogue College-related files are the only files to be saved on one's account. Storing commercial software, utility programs, games or hidden files to the account is not permitted.
- Transmission of any material in violation of any U.S. or State regulations is prohibited. This includes, but is not limited, to copyrighted material, threatening or obscene material, or material protected by trade secrets.
- Playing games on Vogues computer equipment or using the system in association with inappropriate textual material or graphic images is prohibited.
- Saving to the hard disk drive is granted only by permission of the System Administrator.

- One may use computing facilities and services only for authorized purposes.
- One may not attempt to copy, disclose, transfer, examine, restore, change, add or delete information or programs belonging to another user.
- One may not attempt to subvert the restrictions associated with your own or any other computing accounts.

Netiquette

Everyone is expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:

- Be polite. Do not use abusive, vulgar, or inappropriate language in your messages to others.
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Messages relating to or in support of illegal activities may be reported to the authorities.
- Be careful what you say about others.
- Leave equipment and room in good condition for the next user/class.
- Do not use the network in a way that you disrupt the use of the network by others.

Security

Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem, you must notify the System Administrator. Do not demonstrate the problem to other users. Do not use another user's account. Do not give your password to any other individual. Attempts to log in to the network as a System Administrator will result in cancellation of user privileges.

Vandalism

Vandalism will result in immediate cancellation of privileges and may result in disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user and abuse or misuse of hardware. This includes, but is not limited to, the uploading or creation of computer viruses. Users should report any suspected violations to a teacher, administrator or system administrator.

Grievance Policy

In accordance with the institution's mission Statement, Vogue College will make every attempt to resolve any Student complaint that is not frivolous or without merit. Complaints will be addressed honestly and fairly without retaliation. Evidence of final resolution of all complaints will be retained in School files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The Student should register the complaint in writing on the designated form provided by the institution within 10 days of the date that the act which is the subject of the complaint occurred.
2. The complaint form will be given to Vogue College Director.
3. The complaint will be reviewed by Vogue College Director and Corporate Office and a response will be sent in writing to the Student within 30 days of receiving the complaint. The initial response may not provide for a final resolution of the problem but will notify the Student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by Vogue College and/or Home Office it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate Staff and other Students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, Vogue College will appoint a Hearing Committee consisting of one member selected by Vogue

College who has had no involvement in the dispute and who may also be a Corporate Officer, another member who may not be related to the Student filing the complaint or another Student in Vogue College, and another member who may not be employed by Vogue College or related to Vogue College Owners. The hearing will occur within 30 days of committee appointment. The hearing will be informal with the Student presenting his/her case followed by Vogue College's response. The Hearing Committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. The Corporate Office shall consider the report and either accept, reject, or modify the recommendations of the committee.

7. Students must exhaust Vogue College's Student Complaint Procedure before submitting the complaint to the State or School's accrediting agency. State licensing and accrediting agencies' contact information may be found elsewhere in this catalog.

Payment Terms and Charges

The Student pays Vogue College the tuition and fees for the program selected in advance, upon commencement of the course of study, unless other payment arrangements are made and agreed upon

by all applicable parties. Payments may be made by cash, TITLE IV, check, money order, or through non-federal agency or loan programs. Vogue College may, at its option and without notice, prevent the Student from attending class until the applicable unpaid balance is satisfied. Each course has been scheduled for completion within an allotted time frame. It is not realistic to expect to receive an education for free. Accelerated attendance may reduce financial aid eligibility and result in higher out of pocket cost of Student.

Extra Instructional Charges

Vogue College has reserved space, equipment, and licensed Instructors for you. If a student does not meet the graduation requirements by the end of the contract graduate date, plus the grace period, the student will incur extra instructional charges. The grace period allocated is equivalent to 10% of the chosen program length. This equals 100 additional scheduled hours for Cosmetology, 75 additional scheduled hours for Esthetics, and 60 additional scheduled hours for Nail Technology. Should a student complete the hours during that grace period, no extra instructional charges will be assessed. Should hours beyond the grace period be required to achieve all graduation requirements, charges will be assessed at the following rate by program:

Cosmetology	\$16.60 per hour*
Esthetics:	\$17.70 per hour*
Nail Technology:	\$15.30 per hour*

*Please Note that this hourly rate is equivalent to the cost per hour of instruction during the period covered by the initial enrollment agreement.

Other Fees

- Students must request a schedule change in writing, which is subject to approval by Vogue College owner or Director. A Student may not exceed more than two schedule changes during their period of enrollment. Once approved, all initial schedule change requests will be processed at no cost. However, if a student requests an additional schedule change during their period of enrollment, upon approval, a \$100 fee will be charged.
- \$25 Duplicate Transcript Fee

Campus Security, Drug, Alcohol and Sexual Assault Policies & Annual Clery Crime Report

The Campus Security Act (Public Law 102-26) requires postsecondary institutions to annually disclose the number of instances in which certain specific types of crimes have occurred in any building or on any property owned or controlled by this institution which is used for activities related to the educational purpose of the institution and/or any building or property owned or controlled by Student organizations recognized by this institution. In compliance with that law, the following reflects this institution's crime statistics.

1. This institution does not employ campus security personnel but encourages both its Employees and Students to immediately report suspected criminal activity or other emergencies to local law enforcement or other emergency response agencies by dialing (911). Vogue College Director should also be notified.
2. All Students and Employees are required to report any crime or emergency to a Staff member promptly. If a Student or employee wishes to report a crime on a voluntary or confidential basis, the institutional official will be prepared to record and report the crime, but not the name of the informant. The Student or employee may, in order to maintain confidentiality, submit the information in writing a Staff member with or without a signature who in turn will contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency or by calling (911) if appropriate. An "Incident Report" should be completed by a Staff member for any instance of crime or emergency within the physical walls of Vogue College and outside parking areas.
3. Current policies concerning campus law enforcement are as follows:
 - a) Institution's officials have no powers of arrest other than the Citizens Arrest Law, and are required in the event of a crime or emergency to call the correct agency or dial (911) for the police and emergency services. The Citizens Arrest Law will be invoked only as a last resort, and after all other possibilities have been explored.
 - b) Employees shall contact their immediate or nearest ranking supervisor to report any criminal action or emergency to the appropriate agency by calling (911).
 - c) The institution currently has no procedures for encouraging or facilitating pastoral or professional counseling (mental health or otherwise), other than the Student or employee is encouraged to seek such aid.
4. Though this institution does not offer regularly scheduled crime awareness or prevention programs, Students are encouraged to exercise proper care in seeing to their own personal safety and the safety of others. The following rules are designed for the prevention of crimes on campus.
 - a) Do not leave personal property in classrooms
 - b) Report to your institutional official, any suspicious persons.
 - c) Always try to walk in groups outside Vogue College premises.
 - d) If you are waiting for a ride, wait within sight of other people
 - e) Emergency procedures are outline in the catalog and are covered on the first day of class.
5. Information regarding any crimes committed on the campus or leased/attached properties (parking lot) will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim, or an ongoing criminal investigation the safety of an individual, cause a suspect to flee evade detection: or result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty 60 days, that information must be made available within two (2) business days of the request.
6. In compliance with federal Government regulations for a drug-free workplace for Students

and Employees. Any Student caught in possession, use, or distribution of illegal substances or paraphernalia will be dismissed and/or referred to the appropriate agency. Students convicted for any offense, during a period enrollment for which the Student was receiving Title IV funds, under any federal or State law involving possession or sale of illegal drugs will result in the loss of eligibility for any Title IV assistance.

This policy strictly prohibits the illegal use, possession, manufacture, dispensing, or distribution of alcohol, drugs or controlled substances in the workplace, on its premises, or as a part of all School sponsored activities. A violation of this policy is considered a major offense, which may result in requirement for satisfactory participation in a drug or alcohol rehabilitation program, referral for criminal prosecution, and/or immediate disciplinary action up to and including termination from employment and suspension or expulsion from Vogue College. A criminal conviction is not required for sanctions to be imposed upon an employee or Student for violations of this policy. Violations of applicable local, State and federal laws may subject a Student or employee to a variety of legal sanctions including but not limited to fines, incarceration, imprisonment and/or community service requirements. Convictions become a part of an individual's criminal record and may prohibit certain career and professional opportunities.

The following information is provided in accordance with the Drug Free Workplace Act of 1988 (P.L. 100-690, Title V, Subtitle D) and the Drug Free Schools and Communities Act Amendments of 1989 (P.L. 101-226).

Health Risks

Health risks generally associated with alcohol and drug abuse can result in but are not limited to a lowered immune system, damage to critical nerve cells, physical dependency, lung damage, heart problems, liver disease, physical and mental depression, increased infection, irreversible memory loss, personality changes and thought disorders. The use of alcohol and other drugs represents a serious threat to health and the quality of life. More than 25,000 people die each year from drug-related accidents or health problems. With most drugs, it is possible that users will develop psychological and physical dependence. The general categories of drugs and their effects are as follows:

Alcohol produces short-term effects that include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain; ulcers; gastritis; malnutrition; delirium tremens; and cancer. Alcohol combined with barbiturates and other depressants can prove to be a deadly mixture.

Amphetamines/Stimulants (speed, uppers, crank, caffeine, etc.) speed up the nervous system and can cause increased heart and breathing rates, higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleeplessness, anxiety, hallucinations, paranoia, depression, convulsions and death due to a stroke or heart failure.

Anabolic steroids seriously affect the liver, cardiovascular and reproductive systems. They can cause sterility in males and females as well as impotency in males.

Barbiturates/Depressants (downers, Quaaludes, Valium, etc.) slow down the central nervous system and can cause decreased heart and breathing rates, lowered blood pressure, slowed reactions, confusion, distortion of reality, convulsions, respiratory depression, coma and death. Depressants

combined with alcohol can be lethal.

Cocaine/Crack stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, elevated blood pressure, insomnia, loss of appetite, hallucinations, paranoia, seizures and death due to cardiac arrest or respiratory failure.

Hallucinogens (PCP, angel dust, LSD, etc.) interrupt the functions of the part of the brain that controls the intellect and instincts. May result in self-inflicted injuries, impaired coordination, dulled senses, incoherent speech, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

Cannabis (marijuana, hashish, hash, etc.) impairs short-term memory comprehension, concentration, coordination and motivation. May also cause paranoia and psychosis. Marijuana smoke contains more cancer-causing agents than tobacco smoke. The way in which marijuana is smoked - deeply inhaled and held in the lungs for a long period - enhances the risk of getting cancer. Combined with alcohol, marijuana can produce a dangerous multiplied effect.

Narcotics (heroin, morphine, Demerol, Percodan, etc.) initially produce feelings of euphoria often followed by drowsiness, nausea and vomiting. An overdose may result in convulsions, coma and death. Tolerance develops rapidly and dependence is likely. Using contaminated syringes to inject such drugs may result in AIDS.

Tobacco/nicotine causes death among some 170,000 people in the United States each year due to smoking-related coronary heart disease. Some 30 percent of the 130,000 cancer deaths each year are linked to smoking. Lung, larynx, esophagus, bladder, pancreas and kidney cancers strike smokers at increased rates. Emphysema and chronic bronchitis are 10 times more likely among smokers.

Punishment for Alcohol and Drug Related Crimes in the State of Texas:

The Texas Health and Safety Code sets the possession law, dividing controlled substances into five penalty groups, plus a marijuana category. While some of the substances are legal, it is illegal to possess them without a prescription, and the health code establishes the punishments for illegal possession.

The Texas Tax Code, in addition to the criminal penalties for drug possession, also sets potential civil penalties. Although the statute is not often used in minor possession cases, the code requires that taxes must be paid on illegal drugs, so that “dealers” who possess over certain amounts can be charged with tax evasion. The State of Texas can also suspend your license for up to six months following a conviction on any violation of the Texas Controlled Substances Act.

The Code of Criminal Procedure also allows police to seize any property used or “intended to be used” in the commission of a drug felony. That means they can take your car, your home, or any other belonging where you are accused of carrying or hiding drugs. The asset forfeiture law is a civil action, not criminal, and you don’t have to be convicted for the State to try to take your property. Drug possession penalties are complicated, and depend on the classification of the substance and the quantity.

Possession of Drug Paraphernalia:

Any item that can be used as a drug processing, packaging, or consumption mechanism can be defined as paraphernalia under 481.2 (17) of the Texas Controlled Substances Act. Even common household items such as scales, spoons, bowls, envelopes or bags can land you an illegal possession of paraphernalia charge. The most common paraphernalia charges result from pipes, and bongs.

Simple possession of drug paraphernalia is a Class C Misdemeanor, which carries a penalty of fines.

Distribution or possession with intent to distribute or sell drug paraphernalia is a Class A misdemeanor, which can result in up to a year in jail. Second offense penalties will result in mandatory jail time, or if you sell to someone under 18 years old.

7. Like racial, religious, or ethnic intimidation, sexual harassment in an educational environment creates a psychologically- harmful atmosphere. Failure to comply with these policies will result in dismissal, termination, and/or prosecution. Conduct that violates these standards is handled by the President. This includes cases involving sexual misconduct and/or sexual assault or attempted sexual assault.

Sexual Assault Policies:

Any person who may be a victim or is aware of a victim of sexual assault on campus should immediately report the incident to Vogue College President and/or any Staff member the Student is comfortable confiding in.

Students, faculty, and Staff are strongly encouraged to report sexual assaults to the local Police Department, whether the assault occurs on or off campus, no matter who the alleged assailant is. If the assault occurs off campus, Vogue College will assist a victim with notification to the appropriate law enforcement agency having police jurisdiction where the crime occurred.

It is important for persons who have been sexually assaulted to seek medical attention. A representative from the STARS (Sexual Trauma & Assault Response Services) is available to accompany Students who have been sexually assaulted to the hospital and for counseling, if desired. A medical examination specifically tailored for sexual assault victims is conducted by the hospital Staff. This will help preserve important evidence of the sexual assault if the person who has been sexually assaulted decides later to prosecute. It is important for persons who have been sexually assaulted to contact the

police who will arrange for immediate medical attention and will initiate an investigation.

Vogue College does not provide programs to promote the awareness of rape, acquaintance rape, and other forcible and non- forcible sex offenses due to the fact that no Students reside on campus or participate in activities outside the supervision of Instructors.

Vogue College will work with local law enforcement to investigate all sexual assault complaints with sensitivity, compassion, patience and respect for the victim. Investigations are conducted in accordance with guidelines established by Texas State law and the County District Attorney's Office.

In accordance with the Texas Code of Criminal Procedure Art. 57, victims may use a pseudonym to protect their identity. A pseudonym is a set of initials or a fictitious name chosen by the victim to be used in all public files and records concerning the sexual assault. Victims of sexual assault are not required to file criminal charges; however, preferring charges is encouraged.

If you have been sexually assaulted:

1. Call 9-1-1 on campus/from a cell phone or off campus phone line.
2. DO NOT shower, bathe, or douche.
3. Have a trusted friend take you to a medical center that performs sexual assault examinations. Take the clothes in which you were assaulted with you to the hospital in a paper bag, not plastic.
4. Obtain counseling services recommendations from the hospital or law enforcement.
5. Remember it is not your fault.

How to file a sexual assault complaint If the complainant elects not to file criminal charges, but still wishes to proceed with formal administrative charges, an investigation is conducted, and the case is referred to Vogue College President. Disciplinary actions assessed in a particular case will be dependent upon the nature of the conduct involved, the circumstances and conditions which existed at the time the Student engaged in such conduct and the results which followed as a natural consequence of such conduct. Sanctions can include the following:

- Disciplinary warning
- Disciplinary probation
- Withholding of grades, official transcript or degree
- Bar against readmission or drop from current enrollment
- Restitution
- Suspension of rights and privileges
- Suspension
- Expulsion
- Other penalty as deemed appropriate under the circumstances

Campus Sexual Assault Victims' Bill of Rights:

The United States Congress enacted the "Campus Sexual Assault Victims' Bill of Rights" in 1992 as a part of the Higher Education Amendments of 1992. This law requires that all universities afford sexual assault victims certain basic rights such as:

- Accuser and accused must have the same opportunity to have others present.
- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Survivors shall be informed of their options to notify law enforcement
- Survivors shall be notified of counseling services.

TITLE IX

VCC Management, LLC ("Vogue College"), d/b/a Vogue College, is committed to providing a safe educational environment which is free of violence, harassment and discrimination. Therefore, in accordance with Title IX of the Education Amendments of 1972 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"), along with its amendments made pursuant to the Violence Against Women Reauthorization Act of 2013 ("VAWA"), Vogue College has adopted strict policies regarding these matters. To that end, this policy prohibits sexual misconduct that constitutes sexual discrimination, sexual harassment, sexual violence, sexual assault, relationship/dating violence, stalking, and related claims of retaliation.

As part of Vogue College's commitment, this policy will be spread through student and employee orientations, Vogue College's website, and activities to engage staff and students.

Notice of Non-Discrimination

Vogue College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Questions regarding non-discrimination policies can be referred to your school's Title IX Coordinator via email at agauna@vogue.edu

Prohibited Conducts and Definitions

Vogue College strictly prohibits sexual or other unlawful harassment, as well as sexual violence as defined above. *Sexual or other unlawful harassment* or discrimination includes any verbal, physical, or visual conduct based on sex, race, age, national origin, disability or any other legally protected basis if:

1. Submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or
2. It creates a hostile or offensive environment, which means the alleged conduct is sufficiently serious to limit or deny a student's ability to participate or benefit from the student's education program

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status, or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Dating Violence. Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition—

1. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
2. Dating violence does not include acts covered under the definition of domestic violence.

Stalking. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or suffer substantial emotional distress. For the purposes of this definition:

1. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
2. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
3. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Domestic Violence. A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Complaint/Grievance Procedure

If you believe that you have experienced or witnessed harassment, sexual violence, stalking, dating violence, and or domestic violence notify your instructor, supervisor, Director, Human Resources, or the Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. Also, it is important to preserve any evidence that may assist in proving that an alleged criminal offense occurred or that may be helpful in obtaining a protection order. No employee, contract worker, student, vendor, or other person who does business with the School is exempt from the prohibitions in this policy. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses.

Following an alleged offense, victims will be provided with written information on their rights (**Victim's Rights form**) and options for, and available assistance in, changing academic and working situations. The School will make these accommodations if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to local law enforcement. Students have the right to request the reasonable academic accommodations through the Director. Accommodation requests will be handled via the Title IX Coordinator.
