**Disbursement Policy – Per Section 18004(c) of the CARES Act**

The Secretary of Education has advised that the funds initially allocated (50% of total allocation) are to be promptly made available to students in the form of emergency financial aid grants to cover expenses related to the disruption of campus operations due to coronavirus, such as food, housing, health care, course materials, technology and child care. The Secretary has further made clear that only students eligible for Title IV financial aid are eligible for grants under this program.

Vogue College of Cosmetology has discretion to determine amount of each grant and distribute the grants in compliance with all applicable laws, including non-discrimination.

Vogue College of Cosmetology believes that all students have been financially impacted with regard to cost of attendance as described. The emergency grants will be of assistance to all eligible students.

The policy for distribution shall be that the funds received by each campus shall be distributed equally to each student currently enrolled in any program, and was enrolled on or before March 13, 2020, and has filed a FAFSA. This policy follows guidance from FAQ from the Dept. of education:

**9. 9) What students are eligible to receive emergency financial aid grants from the HEERF?**

Only students who are or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. If a student has filed a Free Application for Federal Student Aid (FAFSA), then the student has demonstrated eligibility to participate in programs under Section 484 the HEA. Students who have not filed a FAFSA but who are eligible to file a FAFSA also may receive emergency financial aid grants. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: U.S. citizenship or eligible noncitizen; a valid Social Security number; registration

with Selective Service (if the student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting.

In order to qualify to receive the emergency grant, students must sign a request for grant and acknowledgement of use of funds conforming to required guidelines. Upon receipt of the acknowledgement the grant will be disbursed promptly.

RE: CARES ACT EMERGENCY GRANTS FOR TITLE IV ELIGIBLE STUDENTS

In response to the Covid-19 pandemic, the United States Department of Education has made funds available to Institutions such as ours to assist eligible students. Eligible students may apply for a grant for the purpose of paying for appropriate costs associated with attendance. These costs may include food, housing, course materials, child-care, technology and health care. Only students who are eligible for Title IV Financial Aid may apply.

Each campus was allocated funds based upon Title IV information as calculated by the U.S. Department of Education. Vogue College of Cosmetology had no input as to the amount of grant available. Vogue did have a choice of whether or not to participate in the grant program, and we have chosen to participate for the benefit of our students. Of note, each campus was offered different amounts, and different colleges and trade schools within each community were offered different amounts. We believe that all of our financial aid eligible students have been negatively impacted and will benefit in a way that helps them continue their education.

We are therefore offering each of our financial aid eligible students a grant. The amount of each student's grant will be determined by the total received at each campus divided equally among those eligible at that campus.

To apply for a grant please fill out the attached form and drop it off or mail it to your campus. Be sure to include your mailing address and student ID#.

Thank you for your continued attendance and hard work!

### **Vogue College of Cosmetology Student Emergency Grant Request**
